## APP 'Motive Energy Utility'

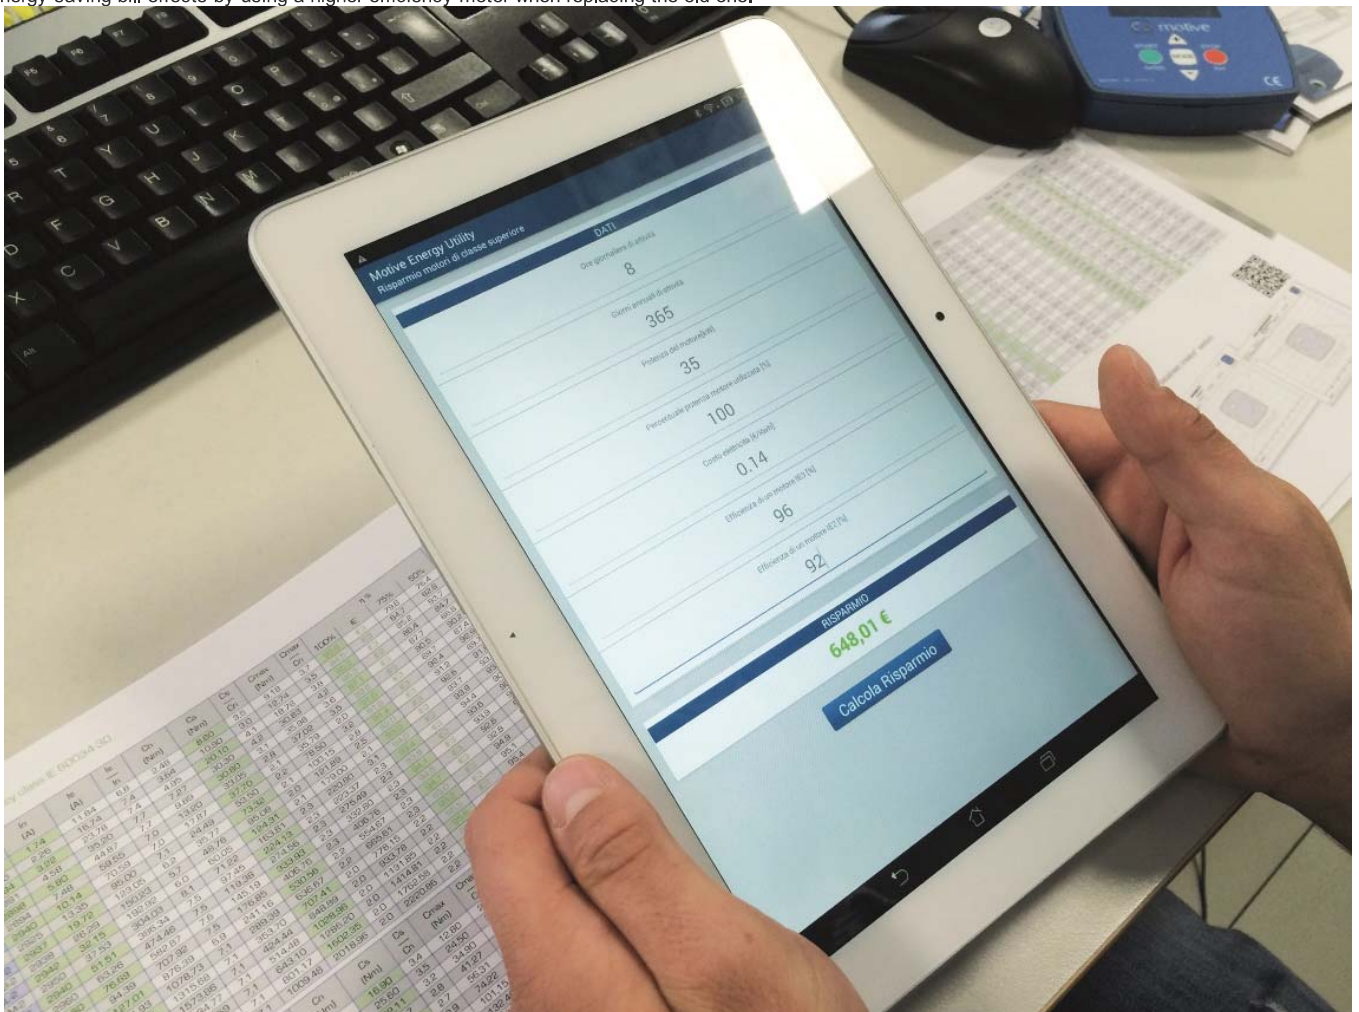

We've just improved it. It's a free APP that calculates the money saving given by motors having a higher efficiency

Google play

Download from Playstore or from App Store the APP "Motive Energy Utility" to calculate with your smartphone or tablet the energy saving bill effects by using a higher efficiency motor when replacing the old one.

We've just improved it:

- It includes all world currencies and 15 languages
- It calculates also the payback time of a more efficient motor by comparing the higher price of it with the savings in the energy bill

- It is for Android  and Apple  too
